Cortona Retreat

Cortona, Tuscany

In the very heart of the historical centre of Cortona, made famous by 'Under the Tuscan Sun', is an incredible contemporary, state of the art property called Cortona Retreat. With nothing left wanting, guests will be blown away by the stylish architecture and the luxurious interiors. A truly unique find!

Cortona Retreat consists of The Loft and The Apartment and is situated within a large old building in the heart of Cortona close to the Duomo and numerous sites of cultural interest. Incredible, enticing and way beyond one's imagination, Cortona Retreat offers visitors to Cortona the very best in accommodation and services and in a much sought after location. Nothing else like it exists in the area and be it a couple on honeymoon staying in The Loft, two couples enjoying a long weekend in The Apartment or a family with nanny on a tour through Tuscany, Cortona Retreat will take your breath away.

The two properties were completed in 2014 and the brainchild of two Italians who recognized the opportunity to create something unique, contemporary and environmentally friendly in every possible way. The Loft is a romantic hideaway for two and has been cleverly designed to incorporate all one could wish for and more. With 500 square feet of floor space there is a large living room with stone floor and fantastic 360 degree ultra cool fireplace where guests can sit with a glass of vino from the temperature controlled

wine store and enjoy the view to the Church of Saint Francis. The modern kitchen has literally everything from ice maker to coffee maker, washer dryer and copper pots so ideal for lovers of cooking and for those guests who prefer to sit back then a top local chef can come in and prepare scrumptious Tuscan dinners. A staircase from the living area leads to the out of this world bathroom with fantastic marble walk in shower and from here to the mezzanine with double bed and free standing bath tub! The Loft is light and spacious with impressive art, the very best fabrics and linens and a very special feeling. Contemporary, designed with feeling and sensitivity and with every small detail considered, you simply will not wish to leave.

Next door is The Apartment - equally impressive and exclusive. Walk into the large living area and one will be struck by the feeling of space and light. Comfy sofas, books galore, a sound system operated via in Ipad and relaxing colours all create a luxurious ambience. A loggia with dining table has been cleverly incorporated with huge sliding panel window from which

guests can enjoy the view to the rolling hills beyond Cortona. Again, there is a state of the art kitchen with only the top equipment and materials used and on this floor is the master bedroom and amazing bathroom with huge shower made from rare natural stone. Upstairs is another equally stylish bedroom with electrically operated ceiling velux window, another dreamy shower room and a further small sitting room which can also be used for an additional single bedroom.

Throughout The Loft and The Apartment the ultimate in 21st century 'devices' have been used whilst thoughtfully maintaining the original features of this historic building. The owners can provide every service one could wish for to ensure one's stay here is more than memorable. With delightful Cortona on one's doorstep and all it has to offer, Merrion is thrilled to include Cortona Retreat within her portfolio to the most discerning of clients. A very unique, luxurious and magical property in one of Tuscany's most treasured cities.
