## Palazzo Luling Penthouse

*Palazzo Bartolommei, Nr Palazzo della Signoria, Florence, Tuscany*

Within the historically family owned Palazzo Bartolommei, in the heart of Florence, is a luxurious and beautifully restored apartment – a rare and delightful experience.

Situated just a few steps from Piazza della Signoria, the Uffizi Gallery and the Ponte Vecchio, is Palazzo Bartolommei, an historical privately owned Florentine property. Inside, up on the fourth floor is the fabulous terraced Palazzo Luling Penthouse which has been decorated to the highest standards in a trendy contemporary style by the internationally known interior designer Ilaria Miani.

On arriving at Palazzo Bartolommei, one immediately enters into a grand neoclassical hall with its original columns and statues. A beautiful vaulted staircase leads to the upper floors but for the less energetic there is also a newly installed mirror lined lift! Ilaria Miani has designed and decorated a number of gorgeous farmhouses in Southern Tuscany and Palazzo Luling Penthouse is her most recent creation – truly amazing! She has the ability to be original, stylish and creative with a flair of her own that cannot fail to appeal.

Palazzo Luling Penthouse is an absolute gem – centrally located with its own roof terrace enjoying views over Florence, spacious rooms throughout and inspirational contemporary furniture – what could beat this as a venue for a weekend or longer in one of the world's most beautiful, historic cities? The kitchen is large and equipped with everything one could wish for, bedrooms enjoy stunning marble en suite bathrooms and every modern facility has been thought of including air conditioning and internet connection. There is also the availability of a private cook service which, after a day's exploring on foot in Florence, provides a great excuse to relax with aperitivi on the roof terrace and soak in the magic of Florence.

Palazzo Luling Penthouse is the perfect venue for a relaxing and memorable stay in the centre of Florence – book early to avoid disappointment.
